

**The RCR pancreatic SABR workshop: Precision RT for non resectable locally advanced pancreatic cancer (LAPC)
Monday 14 November 2022
The Royal College of Radiologists, London**

8:45-9:10 Registration and coffee

9:10 Welcome and session 1: Oncological management for unresectable non metastatic LAPC
Chair: Dr Katharine Aitken, The Royal Marsden NHS Foundation Trust

9:15-9:45 Systemic therapy options
Dr Pippa Corrie, Cambridge University Hospitals NHS Foundation Trust

9:45-10:15 Radiation therapy for LAPC
Professor Maria Hawkins, UCL

Session 2: Precision RT in LAPC
Chair: Dr Ganesh Radhakrishna, The Christie NHS Foundation Trust

10:15-11:00 Keynote lecture
Dr Parag J Parikh, Henry Ford Health

11:00-11:30 Break

11:30-12:30 Session 3: Research & Innovation considerations for precision RT in pancreatic cancer
Chair: Professor Somnath Mukherjee, Oxford University Hospitals NHS Foundation Trust

- **Framework overview**, Professor Juan Valle, The Christie NHS Foundation Trust
- **Charity priorities**, Dr Chris Macdonald and Dr Georgia Papacleovoulou, PCUK and Maggie Blanks, PCRF
- **Open forum**

12:30-13:15 Lunch

13:15-13:45 Session 4: Radiology interpretation in LAPC for clinical oncologists

Radiology for the clinical oncologist
Dr Helen Bungay, Oxford University Hospitals NHS Foundation Trust
Dr Prakash Manoharan, The Christie NHS Foundation Trust

13:45-16:45 Session 5: Outlining and planning workshop

13:45-14:05 Overview of SABR programme and national radiotherapy guidelines
Dr Katharine Aitken, The Royal Marsden NHS Foundation Trust

14:05-14:35 Pre-treatment, planning and verification considerations
Maxwell Robinson, Oxford University Hospitals NHS Foundation Trust
Aileen Duffton, University of Glasgow

14:35-15:00 Practical case examples and lessons learnt to date
Dr James Good, University Hospitals Birmingham, NHS Foundation Trust
Dr Thankamma Ajithkumar, Cambridge University Hospitals NHS Foundation Trust

15:00-16:30 Live outlining session
Patty Diez, RTTQA
Dr Helen Bungay, Oxford University Hospitals NHS Foundation Trust
Dr Prakash Manoharan, The Christie NHS Foundation Trust

Faculty:

- Dr Katharine Aitken, The Royal Marsden NHS Foundation Trust
- Professor Somnath Mukherjee, Oxford University Hospitals NHS Foundation Trust
- Dr Rebecca Goody, Leeds Teaching Hospitals NHS Trust
- Dr Derek Grose, The Beatson West of Scotland Cancer Centre
- Professor Maria Hawkins, UCL
- Dr James Good, University Hospitals Birmingham, NHS Foundation Trust
- Dr Claire Harrison, Belfast Health & Social Care Trust
- Dr Thankamma Ajithkumar, Cambridge University Hospitals NHS Foundation Trust
- Dr Seema Arif, Velindre University NHS Trust
- Dr Owen Nicholas, Swansea Bay University Health Board

15:00-16:30 Parallel break out session: Pre-treatment, planning and on-treatment

Maxwell Robinson, Oxford University Hospitals NHS Foundation Trust

Aileen Duffton, University of Glasgow

Rushil Patel, RTTQA

16:30-16:45 Discussion

16:45 Event close

Co-developed by the RCR, UK SABR Consortium and the RTTQA
